EDITOR'S MESSAGE

Once upon a time, when the Class of '77 were freshmen, we thought that our high school days would never end. But now that they have ended, we look back and think of the good times that we've shared these last four years.

I hope that this yearbook captures some of the memories of our last year at the Mount, and perhaps some of the memories of the "good old days" will come back to you every time you open it.

Goodbye & Good Luck

Karen Abatiell

DEDICATION

In appreciation for your dedication to M.S.J., we the class of 1977 dedicate our yearbook to you, Miss Feeney. From organizing buses to helping with the musical, you're always there, giving unselfishly of your time. We thank you for all that you have done for the M.S.J. community throughout the years and for our class.

MOUNT SAINT JOSEPH ACADEMY RUTLAND - VERMONT 05701

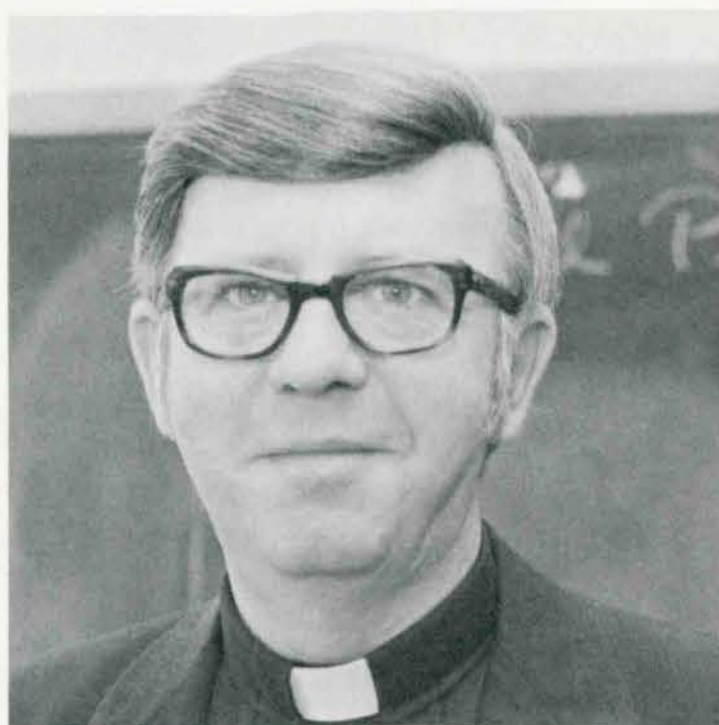

To the Class of 1977

Being a part of your lives for the last four years has been for me a real privilege and joy. Thank you for being a part of the Mount. The Mount is a better place because you came our way. Also remember that the Mount will always be a part of you and our spirit will be with you wherever you go.

My final wish for you is best spoken by St. Paul to the Phillippians.

"You have a permanent place in my heart, and God knows how much I miss you all, loving you as Christ Jesus loves you. My prayer is that your love for each other may increase more and more and never stop improving your knowledge and deepening your preception so that you can always recognize what is best. This will help you to become pure and blameless, and prepare you for the Day of Christ, when you will reach the perfect goodness which Jesus Christ produces in us for the glory and praise of God."

Look to this day.
for it is life.
the very life of life.

In its brief course
lie all;
the realities and truths
of existence.

the joy of growth.
the splendor of action.
the glory of power.

For yesterday is but
a memory.

And tomorrow is only
a vision.

But today well lived
makes every yesterday a
memory of happiness
and every tomorrow
a vision of hope.

Look well,
therefore,
to this day.

Some people describe this team as awesome but there is really no word to describe this complete unit. Every aspect of the team was close to perfection. There is no doubt that there were outstanding individual players in each game but all in all it was a team effort. The offensive line was superior to all opponents, opening holes a truck could drive through, or Russel could run through. The offensive line made the running task of the backs all that much easier. This isn't taking anything away from the running backs because they were all excellent runners. Both quarterbacks were fine performers and the receivers made them look even better. It was a very well rounded team and the best this state of Vermont has ever seen.

During the undefeated season of 10-0 the Mounties scored an impressive 424 points and only gave up 80 points to the opposing teams. This says a lot for a defense that was overshadowed by such a great offense all year long. The old saying goes, "A good offense is a good defense." The Mounties' defense scored during the season and continually supplied the offense with the ball and good field position. The defense was underestimated all year and proved in the end that the MSJ football team had a great offense and a great defense.

The season was made complete on Nov. 13th when MSJ defeated South Burlington 50-7 in the state championship game of 1976. The Mounties are State Champions, which is a well deserved award and yet it seems a little inadequate in rewarding the players for such great accomplishments.

Coach Frank Bizzarro and his Mighty Mounties carried on the school tradition of winning. Through hard work and determination the team proved to be a formidable foe for all opposition.

The Mounties displayed a strong competitive spirit and excellent sportsmanship in compiling a fine 16-6 record. The team was led by the experienced play of a fine group of seniors. John Culver, Jim Shortle, Pete Notte, Tom DiPalma, Tom Cassese, and co-captains Bobby Joe Cioffi and John Ruggiero, all contributed in making the Mountie Basketball team one of the most respected in the state.

The Girls' Varsity Basketball team has come a long way since it began five years ago. This year's team has been considered one of the finest teams produced. This year's team finished the season with a nine and five record. It was defeated in the first round of the playdowns by Woodstock. There is much talent on the Girls' J.V. team and the girls who are brought up to Varsity will help make the team even better.

BASEBALL

The Mount St. Joseph Academy baseball team is optimistically looking forward to a good year in the "hard ball" sport. With a nucleus of returning lettermen, Bill Eaton's "Mounties" hope to be playoff bound. The majority of returning players are seniors; this could be the year. M. S. J. sported a 6-8 record last year with wins over powerful Glens Falls, New York (22-2), Brattleboro High, Mt. Anthony Union and other top contenders in the SVL.

If the M. S. J. "Mounties" show as much desire to win as they have proved in Football and Basketball in the past year-then the "Mounties" could be on their way.

This year's entry in the State One-Act play competition is "Wings", which is a highly imaginative play about childhood fantasies. Because of the strong enthusiasm on the part of the student body, M. S. J. has always excelled in play competitions. This year's directors, Mr. and Mrs. Wolk, hope that they can continue M. S. J.'s tradition of success.

THINK SMALL

If You Can Stand The Excitement

I sit beside the fire and think
 of all that I have seen,
 of meadow-flowers and butterflies
 in summers that have been;

Of yellow leaves and gossamer
 in autumns that there were,
 with morning mist and silver sun
 and wind upon my hair

I sit beside the fire and think
 of how the world will be
 when winter comes without a spring
 that I shall never see.

For still there are so many things
 that I have never seen:
 in every wood in every spring
 there is a different green.

I sit beside the fire and think
 of people long ago,
 and people who will see a world
 that I shall never know.

But all the while I sit and think
 of times there were before

I listen for returning feet
 and voices at the door.
